

ART

Not so much a paperback writer as a paperback painter, Chris Bond creates dog-eared covers with meticulous detail. His latest work is part of the group show, *NEW08*, at ACCA. While painting is the most traditional medium in the show, other new artists have used day-glo geometrics, recycled record covers, fluoro patterns and "live social encounters". Remember those?

WHEN: 10am-5pm today, Saturday and Sunday, 11-6pm Monday. 111 Sturt Street, Southbank. Free. accaonline.org.au
